Major points of interest to sportsmen and sportswomen are:

- Lifetime licenses can now be purchased at all license issuing outlets in New York State, or they can be ordered from the fulfillment center (see next item). Lifetime licenses for children under 16 can be purchased only at points of sale or in person at the DEC headquarters, 625 Broadway, Albany, NY
- Mastercard or Visa credit cards may be used to purchase lifetime licenses. For your convenience the attached Mail-in Computerized Sporting License Application Form can be filled out and sent to the fulfillment center: MCI, P.O. Box 36985, Phoenix, AZ 85067-6985.
- Lifetime licenses are available only to residents of New York State who have been residents for at least one year immediately prior to the application date (proof required).
- Lifetime license applicants must present the same proofs of residence, eligibility and age as annual license applicants. With the original lifetime license purchase, the customer will receive appropriate tags for the season and license type at points of sale.
- When purchasing a lifetime license as a gift for an adult, you must include all required proofs at the time of application.
- Lifetime licenses are effective immediately upon sale and receipt by licensee.

- Lifetime license purchases from the fulfillment center take at least two weeks for processing. Please take this into consideration when purchasing one during peak hunting and fishing seasons, for holidays and for special occasion gifts (birthdays, graduations, etc.).
- After the original purchase, appropriate tags, regulations guides and any special applications will be mailed annually to lifetime licensees.
- Lifetime license privileges are equal to those of annual license buyers. Lifetime licensees must still purchase separate privileges, such as turkey permits and deer management permits. Legislation passed in 2002 added turkey permit privileges to the lifetime sportsman license only.
- Lifetime licenses will remain valid for those privileges purchased in New York State regardless of a change in residency.
- Lifetime licenses are not transferable.
- Refunds for lifetime license fees will not be made under any conditions.
- Lifetime license fees may increase when annual license fees increase and such increases will not affect sportsmen and sportswomen who have previously purchased a lifetime license.
- Lost lifetime licenses and tags can be replaced at any point of sale for standard replacement fees. Lost lifetime identification cards can also be replaced at any point of sale or through the fulfillment center for a \$5 fee. However, Replacement ID Cards will be mailed from the fulfillment center.
- When a youngster becomes 12 years old and completes his/her Sportsman Education Course, he/she must submit a copy of the hunter training certificate to use the small game (Junior Hunter) privilege of his/her lifetime license. When he or she becomes 14, the licensee must complete a bowhunter education course and submit a copy of the certificate if he or she holds lifetime bowhunting privileges.
- Lifetime licensees will be mailed a lifetime license identification card 2-3 months after purchase.

The purchase of a lifetime license goes forever into New York State's Fish and Game Trust Fund. Only the interest from this fund goes into the State's Conservation Fund which is overseen by the Conservation Fund Advisory Board (CFAB) and is dedicated to the support and promotion of fishing, hunting and trapping. For additional information or clarification, contact the License Sales Unit, Division of Fish, Wildlife and Marine Resources, NYSDEC, 625 Broadway, Albany, NY 12233-4790 or call 1-518-402-8843.
