Communications: There were no communications to report

Reports Town Board Members & Dept. Heads.

Supervisor Connelly

Police: Police department now has a plate reader. Chief Latham had gone out after a grant for this and we now have it installed on one of the police cars.

Esplanade: Esplanade Project is moving ahead, The Town Board will have any comments from the Planning Board by our next meeting and then we will have to make a decision on the zoning change for the project from Industrial to Mixed Use.

AMD: AMD closing with the Luther Forest Tec Park should be within the next 2 weeks; at that point they will be able to start clearing the land for the construction to start in mid summer.

EPA: There has been nothing new on the EPA and PCB's other than the lawsuit that was filed will be heard May 8th in Utica.

I received several calls from people on Wrights Loop that the DOH came in and took water samples of their private wells and are having them tested. I am glad to see that the DOH is looking out for the residents that do not have Village water and use private wells. I have asked one of the residents to call me when he gets the results.

Councilman Baker

Community Center: Councilman Baker reported that the Community Center has received a grant through Senator Roy McDonald for \$5,000 to purchase T ball equipment.

Public Input

Resident I commented on the proposed Town & Village joint meeting, the Boilerhouse meeting being the same night as an Emergency Management, the Supervisor's five year tax plan in regard to how much taxes went up, Community Center budget and the methane gas issue in Turning Point and the wood & wood chips on George Thompson Rd.

Supervisor Connelly explained that the meeting date for the Boilerhouse closeout was decided by DEC, stated that the taxes went up approximately 6% in the A fund & 20 % in Highway, and informed her of the developer and builders of Turning Point.

Sup't Minick stated that the wood will be used at the highway garage for heating and the wood chips would go to a state approved site.

Resident II cautioned the Town Board when entering into negotiations with the Highway Union contract. He stated that the union has professionals negotiating and if the Town decided to hire a professional to negotiate it pay off at a later date.

Resident III commented on a letter Councilwoman Bruno gave him from the Attorney Generals Office not proving the Town Board was in compliance regarding Code Enforcement residency and complained of trailers that needed to be moved out of Saratoga Hills or expired building permits in Saratoga Hills.

Resident IV inquired why some of the Town roads were not marked down the center, why they didn't put the proposed pavilion out to bid if the Highway Dept was so busy, what can be done with the Boilerhouse property and why other department weren't required to read their own reports.

Supt Minick stated that less traveled roads weren't marked and heavy traveled roads were marked.

Supervisor Connelly stated that the cost of the pavilion would be less expensive if the Highway Dept built the pavilion.

A discussion was held in regard to the Boilerhouse property, what they have considered putting there and the Brownfield grant.

Resident V commented on Water Dist #4 and the Hydro Plant.

Attorney Trainor stated that there are two issues before the courts and they just have to let the issues run its course through litigation.
