Date: _____ **Approval:** _____

Owner / Applicant plan changes and changes during construction

Project changes and revisions made by the owner or the owner's contractor(s) after the issuance of a building permit that are inconsistent with the permitted set of drawings and specifications may, at the discretion of the Code Enforcement Official, require written approval by the appropriate design professional(s) and a submittal of revised, dated, stamped and sealed plans. Approval must be granted prior to the accomplishment of the work or the issuance of a Certificate of Occupancy.

Authorization to Act as Agent for:

In the event that the owner of the property desires to have another individual act as his/her authorized representative in support of this application the following statement must be completed and signed:

I, _____, owner of the premises located at _____
